SUBJECT: LESTER A. ASHBROOK

Dear Ben:

We recently received a Confidential Record Sheet from your office for Lester Ashbrook. No other material was attached to the record sheet.

We would like more information concerning this situation. You indicated that you have a signed statement from the Scout involved with Mr. Ashbrook. If you will send this to us this will aid us in strengthening our file so that registration can be refused in the future.

Please, also, send us any other statements from individuals or a summary of the situation as you know it. A statement from one individual against another is very weak and, therefore, causes us problems in placing an individual on the file permanently.

Please do not hesitate to call me if you have any questions concerning this matter. We would like as much information as possible in order to strengthen our files. If an arrest has taken place, newspaper clippings or a court record would be most helpful.

Sincerely,

Paul I. Ernst, Director

July 21, 1983

Mr. Lester A. Ashbrook
2484 Whipple Road
Delaware, Ohio 43015

Dear Mr. Ashbrook:

After CAREful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are, therefore, compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that Boy Scouts of America leadership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America seeks to provide for American youth. Please also understand that this decision and the reasons for it will be maintained as confidential.

If you wish to have this decision reviewed, please write to me, explaining your version of the facts supporting your claim that your registration as a BSA leader should be granted or reinstated.

Sincerely yours,

CENTRAL OHIO COUNCIL

CONF001258

DYKES_I_001248

July 2, 1990

Gentlemen:

This is in regard to Hester Ashbrook and my two sons, [REDACTED] who belong to troop 300

I have witnessed Hester out of control, not just a temper fit, but struck me more as a jealous rage. Just because two brothers and my son [REDACTED] and his girlfriend went to the movies. This is when I began to realize that there might be a problem with Hester. I requested that Hester be kept away from my son at scout meetings and scout functions. My youngest son, [REDACTED] tells me that he is glad Hester won't be around them because he (Hester) is always wanting to hug him and pull him close to him. [REDACTED] has also stated that Hester has tried to hug him.

Hester came to me very upset because I wouldn't allow them around my sons.

CONF001259

DYKES_I_001249

We talk and he tells me some things from his past, which I found disturbing. He also proceeds to tell me, and I quote him on this:

"I shouldn't tell you this, (makes this remark to me 3 times before he continues). but I love [REDACTED] this remark I will never forget. I believe Kester meant exactly what he said and it wasn't like a father loving a son.

Because [REDACTED] wasn't doing exactly what he thought he should be doing, he threatens him by telling him that if he doesn't do right he will fix him so that no one will ever have anything to do with him again.

I hope after reading this you will understand why I feel this is a very serious situation with Kester Ashbrook. If there are any guests you wish to ask me in regard to this letter or anything else, I can be reached at [REDACTED] Respectfully [REDACTED]

CONF001260

DYKES_I_001250

My name is [REDACTED], I work at
(Flexible with Lester Ashbrook. Due to a incident
involving my nephew [REDACTED], Lester told
me that by threatening [REDACTED] not to be
caught smoking again, he would tell every-
one that he (Lester) was a homosexual and
that he and [REDACTED] had had an affair, and
that he would do exactly that if he'd
ever smoke again,

CONF001261

DYKES_I_001251

This is my statement about the actions that Lester Ashbrook took with me approximately 5 to 6 years ago. I was about 14 or 15 when I met Lester through scouting. He used to go on camp outs with our scout troop (300) and even sometimes come ^{to} and talk to my dad about Scouting and stuff.

I got to know him better when he started taking me to movies that I wanted to see,

CONF001262

DYKES_I_001252

sometimes just me and him and
sometimes with the others.

One night just him and I went
to see a movie and we got on
the subject of driving his car
and I saw. I ~~didn't~~ ask him
if I could drive it and he
agreed. This seemed really neat
because I was only 15 years old
at the time. As I was driving
I almost hit another car as
we were going around the corner.
That's that I was so scared ~~I~~

CONF001263

DYKES_I_001253

that I let him drive, and
nothing else happened that
night.

A couple of weeks later
we went to see another
movie, but this time it was
at a drive-in and also
we were in the van this
time instead of the car. I
was un-comfortable sitting in the
front seat so we ~~we~~ moved
to the back seat ~~where~~ which
was folded down so we could

CONF001264

DYKES_I_001254

lay on it. I had no ~~intention~~
idea about what was about
to happen. Nor did I have any intention
about it either. - We were both
lying on the folded down seat
and watching the movie. I
was so involved in watching
the movie that I didn't know
what he was doing for a
couple minutes. When I finally
realized what was happening, he
had unsipped my pants and
was feeling around. I was

CONF001265

DYKES_I_001255

so shocked that I just told
him ~~to~~ not to do it, then I sipped
my pants back up and tried
to watch the rest of the
movie. Nothing else happened
while we were at the movie
but I was so upset that
I just sat there and acted
like I was watching the
movie. Nothing like this ~~had~~
~~never~~ happened to me before.
I knew it must be wrong
but never having it be done

CONF001266

DYKES_I_001256

to me before, I was confused.
On the way home, we got on to
a back road and next thing I
knew I was driving again. I
can't remember if I ask him to
drive or if he had asked me ~~that~~.
But, as I was ~~was~~ driving, he
was kneeling beside me. I thought
he was just there to help me
drive ^{in case} ~~I~~ I needed help. ~~again~~
But then he started playing
with me again. I was so
shocked that I lost control

CONF001267

DYKES_I_001257

of the car for a moment, but
he grabbed a hold of the
curb and pulled the car back on
the road. I told him to stop
and started driving again. But
he continued to play with me.
I honestly didn't know what to
do ^{because} ~~because~~ he ~~he~~ just didn't stop.
Finally, I ask him to drive
again, because if he was driving,
he couldn't do those things to
me ~~any more~~ anymore. ~~For~~ when
we got to my house I just

said boy and went in. To my knowledge nothing like that ever happened to me again by him or any body else. I've tried so hard to forget what happened that I never even told my parents. I realize now that something needs to be done to prevent this from happening to someone else so I wrote what I could remember. I do remember that I did nothing to provoke this in any way and I'll be damned if any body tries that with me again.
